- A new Class may be added if a minimum of five (5) cars of the Class have been registered for three (3) consecutive years.
- Automobiles identified as "kit cars" or "replica cars" do not qualify in the Class of the respective original factory cars.
- Criteria for definition of "modified cars" that do not qualify in the Class of the respective original factory cars.

Examples:

- * A car whose body panels have been modified to the extent that original factory body panels could not be used as a direct replacement with the same results as the existing modified panels.
- * A car whose engine has been replaced with a non-standard engine of its vintage and/or manufacturer. (i.e. a V6 engine in a car originally manufactured with an inline engine.)

Waiver of Liability

I (we) agree that I (we), will not hold liable the British Car Field Day Committee, or their respective club, officers, or members, for any personal injury or property damage that may occur on the park grounds or while driving to or from the British Car Field Day event held at Sussex Village Park in Waukesha County, State of Wisconsin, held on Sunday, June 15th, 2025 and that my (our) participation in this event signifies my (our) agreement with the above waiver of liability.

Field decisions made by BCFD officials on the day of the event will be final and binding
